

Children's Recreational Enterprise Trust (CREST)

Financial Assistance for Children in Need: Group Application

CREST runs a novelty train at the Dunedin Botanic Garden and funds raised are used to help children in need in the Dunedin area.

CREST considers grant applications from groups/organisations working for the welfare of children who are disadvantaged by health conditions and/or lack of family resources to enhance the quality of their lives and offer the opportunity to increase their life skills.

Grants are not usually made for:

- Commercial or business activities.
- Travel.
- Continuing subscriptions.
- Leader training.

Conditions for Grants

- Applications from the school or organisation involved must operate in the Dunedin local authority area to be eligible.
- Children benefiting are to be up to the end of secondary school age.
- The grant is paid directly to the organisation and is not transferable.
- There is a limit of one grant to an organisation/group per annum.
